

Energy label for customers in
England, Scotland and Wales

Energy label for customers in
Republic of Ireland and
Northern Ireland

The UK energy label features the Union Jack flag and the 'ENERGY' logo with a lightning bolt. It includes a QR code and the model number OSC6T185ES 925504321. The energy efficiency scale shows levels A through G, with a black arrow pointing to level E. The annual energy consumption is 236 kWh/annum. The label also displays a snowflake icon with '88 L', a milk can icon with '154 L', and a speaker icon with '35 dB' and 'ABCD'. The date '2019/2016' is printed at the bottom right.

The EU energy label features the European Union flag and the 'ENERGY' logo with a lightning bolt. It includes a QR code and the model number OSC6T185ES 925504321. The energy efficiency scale shows levels A through G, with a black arrow pointing to level E. The annual energy consumption is 236 kWh/annum. The label also displays a snowflake icon with '88 L', a milk can icon with '154 L', and a speaker icon with '35 dB' and 'ABCD'. The date '2019/2016' is printed at the bottom right.
