

LG 5 Year Warranty Promotion:

Free 5 Year Warranty on Selected UK variant LG Laundry Products

Purchase a Qualifying Product (as listed in our terms) in the Territory within the Promotional Period and sign up within 90 days of purchase on <https://www.lg.com/uk/5yearwarranty> to receive a 5 year parts and labour warranty on your Qualifying Product (rather than the standard 2 years). Internet access is required. Terms and conditions apply, see below for further details (especially on the Promotion Periods).

Terms and Conditions

All laundry products sold by LG Electronics U.K. Ltd ("LG") come with a standard free 2 year warranty and this covers parts and labour.

Subject to you purchasing a Qualifying Product during the Promotional Period AND registering your Qualifying Product in accordance with these Terms and Conditions, the Promotion extends the standard warranty cover by a further 3 years, so you will receive a 5 year warranty in total running from the **date of purchase**. Please note, this offer does not apply to products purchased for commercial use.

Notwithstanding the duration, this 5 year warranty is also subject to the warranty conditions listed in the standard warranty literature that came with your Qualifying Product.

This 5 year warranty is distinct from (and in addition to) a 10 year (or 20 year for select models), parts only (not labour) warranty that LG gives on the Direct Drive Motor, which runs from the **date of purchase**.

To activate the promotional warranty please register your appliance at <https://www.lg.com/uk/support/product-support/product-registration> within 90 days of purchase.

These promotional warranty conditions are additional to, and complement the standard warranty conditions as supplied with the product.

These promotional warranty conditions are valid for any person who has purchased and legally acquired possession of the Qualifying Product during the Promotional Period in the Territory.

The promotional warranty only applies to the purchase of new (not second-hand) Qualifying Products. It is non-transferable and in the event of a change of ownership will not be valid unless LG has provided its written approval.

The standard warranty period on LG laundry products is two (2) years. Where an LG five (5) year promotional warranty is offered this extends the standard period of cover by three (3) years.

For any promotional warranty the Qualifying Product must be registered within 90 days of purchase, and this will extend the cover from the purchase date.

In addition, the Direct Drive motor is provided with a limited 10 year (or 20 for select models) parts only warranty from the date of purchase.

Services:

LG's obligations are limited to the successful repair or, at its discretion, replacement of the product or defective component(s).

LG shall, at its option a) repair the LG Qualifying Product using new or refurbished parts that are equivalent to new in performance and reliability or b) replace the LG Qualifying Product with a product that is formed from new and/or refurbished parts that are equivalent to new in performance and reliability and/or any other suitable option at its discretion

Warranty repairs must be carried out by LG Service Engineers, an LG authorised dealer or an authorised LG Service Centre, as dictated by LG.

Exclusions:

The same exclusions and limitations apply to the promotional warranty as set out in the standard warranty conditions supplied with the product and the following are not covered under LG's warranty:

- ☐ Any costs relating to transport including delivery, removal or installation of the product

Where applicable legislation and these terms differ, only the parts that are affected will be subject to the applicable legislation and all other parts of the terms remain in force. These terms and conditions are governed by UK law and any dispute or matter arising out of these terms or the promotion shall be under the exclusive jurisdiction of the UK courts.
