

## Terms and Conditions

### Event Duration and Enrolment.

From March 20th - April 20th, 2025, participants ("You", "Your", as applicable) may enroll in the MSI "ASSASSIN'S CREED® SHADOWS Game Bundle" promotion ("Event") - while supplies last. To enter, You must complete the following steps:

Subject to full compliance with these terms and conditions ("Terms and Conditions"), purchase one (1) eligible product (see eligible model charts below).

Participants may register and make up to a maximum of one (1) redemption per eligible product purchased per participant, and a maximum of two (2) redemptions in total per household. For two separate participants. Each participant must have its own MSI Member account and UBISOFT CONNECT account. For each proof of purchase provided, only one (1) redemption may be made. Contact MSI customer service if Your purchase was made for two (2) participants on the same proof of purchase. Such participants must show to be part of the same household.

All registration and redemption must be completed from March 20th - May 4th, 2025. Event registration will automatically be closed if the Event ends earlier due to stocks being depleted

Go to the product registration page and register your eligible product and the "ASSASSIN'S CREED® SHADOWS Game Bundle" promotion. You must sign up for a new MSI Member account at <https://account.msi.com/login> if You have not registered. Event registration will automatically be closed if the Event ends earlier due to stocks being depleted - you will be notified when trying to register.

Provide a copy of Your proof of purchase for MSI verification. Documentation must include a picture of the model serial number label on the product, invoice with MSI model name, date, and shop/vendor name. The invoice date must be between March 20th - April 20th, 2025. If necessary, MSI may ask You to provide a cutout of the product color box showing the serial numbers.

Individual products used in an eligible claim cannot be re-used for separate or other claims under the Event. Redemption must be made in the country where the eligible product was purchased. Cross region and/or country redemption(s) shall be strictly prohibited.

Agree to the Event Terms and Conditions and await MSI review. If MSI determines You meet all eligibility criteria, the applicable game code(s) (see below) will be sent to Your registered email address. Verification may take up to 14 business days. Incomplete Event registration information may result in an additional processing time of up to fourteen (14) business days if You are required to provide further information. MSI reserves the right to verify, approve, or deny submissions in its sole discretion if Event registration is incomplete, not provided within seven (7) days of MSI's request, or provided after the Event registration period.

If the registered MSI product is being returned or refunded, You must notify MSI in writing, and the promotion application will be withdrawn automatically without further notice. MSI reserves the right to ask the applicants for the return of redemption items earned from products returned or refunded within fourteen (14) days of Event Registration

If You claim a game code and return an MSI product without notifying MSI, Your MSI account will be ineligible to join any game bundle promotion in the future.

Game Code: One (1) copy of ASSASSIN'S CREED® SHADOWS PC standard edition game code (valued at USD\$70) per piece of eligible product per participant per proof of purchase. Limited game code quantities apply. The game will only be launched after March 20th, 2025. All codes are not transferable or redeemable for cash alternatives. Suppose a code becomes unavailable due to circumstances beyond MSI's reasonable control. In that case, MSI may, at its sole discretion, adjust the redemption item by replacing the code with another product of equivalent value. Applicable game code(s) must be redeemed via the UBISOFT CONNECT (<https://ubisoftconnect.com/>) before June 20th, 2025. Please contact MSI customer service if You are unable to redeem the game code before the listed deadline.
