The conditions below describe the prerequisites and scope of our warranty.

- The warranty does not affect your statutory rights or the obligations of your retailer and your contract with them.
- We provide warranty cover for an appliance subject to the following conditions:
- We will rectify defects affecting the appliance which are clearly attributable to material and/or manufacturing faults, provided they are reported immediately after being identified, and within 24 months of the date of purchase or 60 months for registered eligible appliances (the “Warranty Period”).
- The warranty will not extend to fragile items such as glass or cosmetic parts or consumable items such as light bulbs.

-
- Warranty liability will not be triggered by minor variances from nominal features which are of no significance to the appliance's value or fitness for purpose or damage caused by the chemical or electrochemical effects of water and generally by exceptional environmental conditions, inappropriate operating conditions, or the appliance having come into contact with unsuitable materials.
- Service may not be available to all the islands around the UK and Ireland, we reserve the right to offer approved local partners in outlying areas. Please check with your retailer or contact our Customer Service Department if you need more information.
- Warranty provision will be free of charge, and we will decide whether this will take the form of a repair or the replacement of the appliance. Please note that replaced parts pass into our ownership.
- Small appliances or vacuum cleaners that can reasonably be transported or posted may need to be shipped to our customer service centre. All other appliances will be repaired on site.

From time to time, Bosch may present additional warranties on either products or defined components of a product which are time limited offers.

- To check if your product qualifies, please contact us on 0344 892 8979, or go online at <https://www.bosch-home.co.uk/customer-service/warranty> for UK customers and <https://www.bosch-home.ie/customer-service/warranty> for IE customers.
- A purchase receipt must be presented in each case showing the date of purchase and either the delivery or installation date, the latest date elicits the start of the warranty period.
- It is required that Engineers and Service Partners are given reasonable access when attending to the appliance.
- In the event of a replacement appliance being supplied, we reserve the right to charge an appropriate monetary off set in respect of the period of use already enjoyed.
- We are not obliged to provide a replacement which matches the other appliances in the household. The replacement will be from the local product portfolio.
- The warranty period for spare parts fitted ends with the expiry of the warranty on the appliance as a whole.
- We reserve the right to invalidate the warranty.
- If repairs are performed by persons not authorised by us to take such action, or if our appliances are fitted with non-original spare parts, extras, or accessories the warranty becomes void.

- Likewise, no warranty liability will be accepted if the defects stem from transport damage for which we are not responsible, improper installation and assembly, improper use, to also include where an appliance has been used in a non-domestic environment, poor maintenance, or failure to observe operating or assembly instructions.
- Other claims against the warranty in respect of compensation for consequential or associated loss are excluded, except where such liability is legally mandatory.

Where appliances have been installed on boats:

- a. If the electricity is supplied from land (i.e., in the case of house boats) then these warranty conditions apply.
- b. If the electricity on the boat is generated by its engine, then these warranty conditions will not apply.

The Customer will need to contact the Bosch Customer Service team in any of the following ways so that we can support a claim under warranty:

- a. Phone us on 0344 892 7989
- b. Send us an e-mail at COG-CallBooking@bshg.com
- c. Use our 24-hour online visit booking tool at:
<https://www.Boschhome.co.uk/customer-service/repair-service>

Customers can also find Bosch contact details in the “Service contacts” booklet enclosed with the appliance.

- The provision of services under warranty neither extends the term of the warranty nor sets in motion a new warranty period.
- Customers are not entitled to any further claims or claims other than those specified above under this warranty.
- If appliances are shipped to and operated in other countries in EU/EFTA or United Kingdom (destination country), the appropriate technical conditions (e.g., voltage, frequency, gas types) are met and the climatic and environmental conditions in the country are suitable and there is no legal restriction (e.g. missing approbation or declaration of conformity), the terms of the warranty of the destination country will apply, provided a local customer service network exists within the destination country which operates at their discretion. Outside of this geographical area, the warranty will become void apart from the United Kingdom where these terms will continue to apply.
- Please note that we reserve the right to void the warranty terms, in the event of physical or verbal abuse towards any member of staff.

- We also offer to repair appliances, which fall outside the warranty period on a chargeable basis, this consists of labour call out and charge(s) for spare parts where we deem that appropriate repair can be effected.
- We reserve the right to charge for repair work carried out and any spare parts supplied within the Warranty period, which are not covered by the Warranty terms.
