

Mobile Insurance Complete.

1.1 Policy Terms and Conditions.

Your insurance policy.

When you take out your Mobile Insurance Complete policy you agree to the following terms and conditions:

- insurance Terms and Conditions with Chubb European Group SE (UK Branch); and
- expert Support Terms and Conditions with Currys Group Limited.

Together, these are your "Policy Terms and Conditions". If either of the Insurance Terms and Conditions or the Expert Support Terms and Conditions is terminated, the other will be terminated automatically.

Contract of insurance.

The Policy Terms and Conditions and your Mobile Insurance Complete certificate form the contract of insurance between you and us. Please read them and keep them safe. In return for you paying your premiums, we will provide cover for the product shown on your Mobile Insurance Complete certificate, providing you remain the owner, and anyone using the product complies with the Policy Terms and Conditions. The provision of insurance under this policy is conditional upon you observing and fulfilling the Policy Terms and Conditions.

Mobile Insurance Complete certificate.

The Mobile Insurance Complete certificate shows the specific product covered by this policy, the period of cover, premium due, payment frequency, significant cover exclusions and the policyholder's details. The Mobile Insurance Complete certificate does not show the cover you have, and you should read this as one document together with the Policy Terms and Conditions.

1.2 Insurance Terms and Conditions.

Making a claim.

To claim for damage or breakdown, please bring your product to a Currys store, visit www.currys.co.uk/mobile/insurance or call 0800 049 0221. If you have your product repaired or replaced by some means other than through this insurance policy we will not pay your claim. If the incident happens outside the UK, we will not be able to deal with your claim until the product is in the UK and available for assessment.

To claim for loss or theft, please call into any Currys store, or visit www.currys.co.uk/mobile/insurance or call 0800 049 0221. If the product is lost or stolen abroad, please note that replacement products can only be sent to UK addresses.

If your product has been lost or stolen and is connected to a network we will need verification from your network provider that the product has been blocked. We recommend you contact them as soon as possible as this will also limit any charges you may incur for unauthorised use. Please speak to your network provider for more details about charges you may incur.

If your product has been stolen, you must report it to the police, and request a crime reference number (CRN) before your claim is submitted. You will be required to provide the CRN to substantiate your claim. If you cannot obtain a CRN, please call us on 0800 049 0221.

You should make any claim as soon as possible.

For damage and breakdown claims, if your product is security protected, you will need to remove this protection before we can process your claim. E.g. Activation lock or Find My Device on an Apple product. Failure to remove or reactivation of any previously removed security protection may cause delays in processing your claim and you may be charged for any repair or replacement you have received.

1.2 Insurance Terms and Conditions.

Where we accept your claim, we will at our discretion either provide a repair to your existing product or replace your product. If it is not possible to replace your product with the same make and model as your original product we will provide an alternative product determined by us that may be a different colour or model, or be made by a different manufacturer. This may mean the features and functions will differ, but the replacement will be of a similar specification to your original product. In the event that we're unable to source a suitable replacement we will, at our discretion, make a settlement in the form of a Currys gift card or cash based upon the cost of a like-for-like replacement.

You can choose to have your replacement product delivered to a Currys store, to your home or to an alternative address. For damage and breakdown claims where you choose to have your replacement product delivered to your home or an alternative address we'll collect your original product when we deliver your replacement. You must be ready to exchange your original product when the courier arrives and be able to follow any special instructions from our courier.

Replacement products will not include any stored information you added to your original product, including (but not limited to) any data, downloads, videos, music or applications. This may also apply if your product is repaired. Our experts are able to help you restore data from a back up, if you have one.

Our replacement products are refurbished models which come with a Currys warranty. The Currys warranty will match either the period of time you had left on your original product's manufacturer's warranty or 12 months, whichever is greater. In the unlikely event that the replacement product you receive breaks down within this warranty period, Currys will repair the product under the warranty. To make a claim for a Currys warranty please bring your product to a Currys store. Cover for breakdown under your insurance policy will resume when the Currys warranty expires.

You may be required to provide information such as photos, videos, documents or receipts reasonably necessary to support and/or verify your claim.

If, at the time of an incident, there is any other insurance policy providing the same cover as this Mobile Insurance Complete policy, we are entitled to approach that insurer for a contribution and may request information from you to support this. You should only claim against this policy if you haven't claimed for the incident against any other policy you may hold.

Once we have settled your claim, the original product will become our property. Where a lost or stolen product is recovered you may keep the replacement product we provided you with, but the recovered product must be returned to us. If we identify the product has not been returned to us we may also take legal action against you.

Settlement of accepted claims.

Where a successful claim includes accessories, the settlement for the accessories may be received after the replacement product is received.

We aim for you to receive your replacement product the next working day upon acceptance of claim and payment of excess before 5pm. There are some postcodes that we are unable to deliver to next day, a list of these can be found on our website www.currys.co.uk/mobile/insurance. Please be aware that factors beyond our control (including, but not limited to, adverse weather) may delay your order. Working days are defined as Monday to Friday, excluding Bank Holidays. The replacement products we provide are refurbished models with a warranty provided by Currys.

Changes we need to know about.

You must take reasonable care to provide complete and accurate answers to any questions we ask when you take out or make changes to your policy.

You must tell us about the following changes:

- you no longer own the product;
- the product has been replaced under the manufacturer's warranty. In this case, please provide us with proof of the replacement, including the new IMEI number or Serial Number, from the manufacturer;
- you are no longer a UK resident;
- you change your personal details;
- you change your bank details (if you pay monthly).

If the information provided by you is not complete and accurate, we may cancel your policy immediately and/or refuse to pay a claim.

If you do not inform us about a change it may affect any claim you make.

Changes we may make to this agreement.

After taking a fair and reasonable view and no more than once in any 12 month period, we may make changes to your premium, policy cover and/or terms and conditions of insurance, to:

- reflect changes in our expectation of the future cost of providing cover;
- reflect changes (affecting us or your policy) in the law or regulation, or the interpretation of law or regulation or changes in taxation;
- reflect decisions or recommendations of an ombudsman, regulator or similar person, or any code of practice, with which we intend to comply;
- make them clearer and fairer to you or to rectify any mistakes that may be discovered in due course.

Your premiums may go up or down but Currys will not recover past expenses.

If you pay annually, we will notify you of any changes we are making to your policy when we contact you at renewal of your policy. Changes will become effective from your renewal date.

If you pay monthly any change made under this section will be notified to you in writing at least 30 days in advance. You are free to cancel your policy in accordance with the 'Cancellation of your policy by you' section.

We may, at our discretion, allow this policy to resume where a payment is made after this 14 day period, but we are under no obligation to do so;
- you or the user using your product use your product to commit a crime or to allow any crime to take place. We will cancel your policy immediately and notify you of this in writing;

- number of claims;
- frequency of claims occurrence; and
- circumstances of the claims, including taking reasonable care to protect your product from theft, loss or damage.
