

This offer from Sony Europe B.V. is only available on selected new headphone models which are purchased during the promotion period starting 1st May 2024, to 31st July 2024 and registered in your My Sony account. You need to be 18 years or older to participate. Offer ends 31st July 2024 - product purchase must be by this date. Product registration and activation of your one-year extended warranty can only be completed within 90 days after product purchase.

You will receive instructions on how to claim and activate your one-year extended warranty by email, within one hour after you have registered your product. If you have already purchased or otherwise received an extended warranty for this product, please note that you will not be eligible to add a further one year's warranty from this promotion. Proof of proper purchase (dealer invoice from participating countries as listed below) will need to be provided upon repair request. The extended warranty is not transferrable. Offer is valid for purchase in UK, Ireland, France and Germany only.
