Your Haier Promotional Guarantee Terms and Conditions

Thank you for purchasing a Haier appliance which automatically comes with a 24 month call out, parts and labour guarantee.

Providing that you **register your purchase with Haier within 28 days of purchase** in accordance with the Haier promotion, Haier guarantees the labour for an additional 3 years and all parts for your product for 10 years from the date of purchase.

During the first five years Haier approved engineers will replace all defective parts free of charge, except for parts subject to fair wear and tear, such as interior lamps.

In years 6-10 replacement parts will be supplied free only if fitted in the UK or the Republic of Ireland by Haier and the appropriate labour charges paid (Haier Fixed Price Repairs Out of 60 Month guarantee period).

To qualify for the benefits under the guarantee, you must be able to **provide proof of date of purchase** with your **appliance registration confirmation** and the appliance must have been supplied, maintained and used in accordance with Haier instructions.

The guarantee does not cover accidental damage, loss or damage arising from the breakdown of the product. The guarantee excludes:

1. Any faults which occur due to defective installation or misuse of the machine.
2. Repair of, or interference with, the machine by any person not authorised by the manufacturer.
3. Any parts which are fitted to the machine which are not original manufacturer's parts.
4. Non-domestic use of the machine.
5. Operation at incorrect voltage.
6. The result of using this machine for any purpose other than those described in the instruction manual.

Warranty declaration for Haier Home Appliances

This Warranty Policy is additional to and does not replace any other rights enjoyed by the end user of the appliance and, in particular, in no way affects the customer's rights established by UK regulations implementing Directive 1999/44/EC.

1. General rules

This warranty is valid only for services under warranty to be provided in UK and Republic of Ireland and only covers Haier branded appliances sold by Haier Smart Home UK & I LTD, in the UK and the Republic of Ireland.

All claims must be accompanied by evidence of the model, serial number, and proof of purchase showing the appliance was purchased with 24 months prior to the date of claim. Additional promotional warranties outside of 24 months must produce a warranty certificate. These must be produced prior to the warranty service being carried out otherwise Haier Smart Home UK & I LTD reserves the right to reject the warranty claim. Please provide your warranty reference number at time of your service.

2.What is not covered under your warranty

Haier is not responsible for any costs of service due to the following reasons;

- The appliance being outside of the two-year manufacturer's warranty period.
- Any defect caused by accident, misuse, unauthorised modification, or any repair not authorised by Haier.
- Any non-mechanical malfunction or cosmetic damage to the appliance.
- Any claim for loss, damage, cost, or expensive, of an indirect or consequential nature including any loss or damage to food stuffs or goods is excluded. This includes the loss or corruption of any data or information stored by the customer in any form. (Losses resulting in deterioration following the break down, or accidental break down of the appliance, fuses, or plugs, can be covered by your standard home insurance or may require extra cost. Please check this with your insurance provider.)
- We continuously try to improve our appliances for the benefit of the customer, and for this reason we reserve the right to make changes to any appliance at any time, and without notice.
- Periodical checks or maintenance, including cleaning of filter/pump (instructions are found in user manual supplied) and/or service on consumable parts like rubber seals, charcoal filter, grease filters, knobs. We recommend you inspect your appliance on a regular basis to check it is correctly working.
- Faults including – the appliance installation not complying with that stated in the user manual – inadequate ventilation resulting in additional power consumption - external factors including weather and environmental conditions, irregular electrical power supply, under or over voltages. (Please refer to the user manual for installation and maintenance of your appliance.).
- If the appliance is not accessible due to insufficient space or the appliance cannot be removed from its location due to surrounding cupboards, worktops or other equipment or any damage resulting from the removal or re-installing the appliance.
- Accessories such as shelves, egg boxes, bottle racks, lamps, power cables, leads, hoses, remote controls missing or received damaged claimed after fourteen days from customer's delivery date.
- No fault found (NFF)
- Advice to the customer on how to operate the appliance (instructions are found in the user manual supplied).
- Cover the cost of television repair with an LCD or LED panel with defective pixels.
- LCD or LED panel solarized caused by persistent fixed image on screen (screen burn)

- For appliances used in a commercial environment such as offices, shops, restaurants, or any small business, the warranty is limited to 12 months for Washing Machines, 6 months for Washer Dryers, Tumble Dryers, Fridge and Freezers, Dishwashers, Ovens and Hoods.

3. Activating the aftersales service (excluding microwave ovens, handheld devices and small televisions)

Haier appliances (microwave ovens, handheld devices and small televisions excluded) are covered by an in-home warranty.

Customers who have a technical problem or fault with their appliance should contact the Haier Customer service s by calling 0333 003 8122, or their Retailer where the appliance was purchased.

Haier will arrange for an engineer to repair the customer appliance in home. Whenever this cannot be carried out at the customer's home, alternative arrangement will be made (please ensure engineers are able to have access to the appliance prior to the visit).

The Haier engineer will assess the need for repair and take appropriate actions and implement the appropriate repair. If the appliance cannot be repair for whatever reason, the engineer will advise Haier Smart Home UK & I LTD accordingly and Haier Smart Home UK & I LTD will decide on the next course of action. If an exchange is agreed by Haier Smart Home UK & I LTD the customer will be issued a Return Merchandising Authorisation number (RMA), the customer should advise their Retailer of this number to activate the exchange.

Providing the appliance is within the manufacturer's warranty period the service is entirely free if the appliance is found to be faulty.

If the appliance is not faulty, the costs of labour, collection at the customer's home and possible appliance transport costs will be charged to the customer by Haier Smart Home UK & I LTD.

4. Activating the aftersales service (microwave ovens, handheld devices and small televisions)

Customers with microwave ovens, handheld devices or small televisions with a technical problem or fault should contact the relevant Haier customer contact centre, depending on the retailer the appliance was purchased from, by calling the relevant Service Number. The call centre operator will explain the process fully.

5. New appliances found damaged on delivery or opening the packaging

New appliances found damaged when first opening packaging or found damaged during transport must not be installed. In these cases, customers should contact their retailer from whom they purchased the appliance who will provide them with an appropriate solution. Any damage should be reported with the seven days of purchase otherwise Haier Appliances UK reserves the right to refuse the warranty claim.

6. Fixed Price Repairs (Out of guarantee period)

- The fixed price repair is inclusive of parts and labour.
- Provided the parts are available at the first visit, we would aim to complete the repair on the first visit.
- Once the repair is completed the repair is guaranteed for 12 months.
- In the unlikely event that the appliance is beyond economical repair or cannot be repaired, you will be offered a new appliance at a reduced price inclusive of any Home delivery

charges. If you prefer not to go ahead with the new appliance a Basic Call Out charge of £80 incl. vat (€72.50 in Ireland) will apply.

- In the event that a fault cannot be identified and the appliance is functionally normally in accordance with manufacturer's instructions, a Basic Call Out charge of £80 incl. vat (€72.50 in Ireland) will apply. Please ensure that you have referred to your appliance instruction manual and are following the manufacturers operating instructions before reporting a fault and booking a call out.
- Please ensure a responsible adult is present when our engineer calls, otherwise, we will not carry out the repair. In this situation an additional Basic Call Out charge of £80 incl. vat (€72.50 in Ireland) will apply if we need to revisit the premises.
