The advertisement features a central image of a white Miele front-loading washing machine in a modern laundry room setting. Above the machine, the Miele logo is displayed in a red box. The headline 'Complete Peace of Mind Until 2035' is prominently shown in large white text. Below this, it states 'Claim a 10 Year Warranty\* on Selected Laundry Appliances'. To the left of the machine is a circular 'Which? Trusted Trade' award seal. To the right is a red shield-shaped badge with '10 YEAR WARRANTY\*'. At the bottom center is a yellow 'Shop now' button. Fine print at the very bottom reads: '\*Terms & Conditions apply. Selected models only. Valid on purchases between 01.10.25 - 31.12.25'.

## FAQ – Terms & Conditions

1. **What does the extended warranty cover?** The extended warranty is an extension of the standard Miele 2 year Manufacturer's Guarantee. This means it covers any defects in the material or workmanship of the product. Both defective parts and labour are covered.
2. **What does the extended warranty not cover?** The key exclusions are: faults caused by the user through operating errors or lack of care and maintenance, non-domestic or commercial use, accidental damage, incorrect installation, faulty repairs or repairs carried out by non-authorized parties, replacement parts subject to wear and tear and use of non-approved spare parts and accessories. A full list of exclusions can be found in the T&Cs.
3. **What regions and retailers are included or excluded?** The extended warranty is only available to machines purchased from an authorised retailer or directly from Miele in the United Kingdom (England, Wales, Scotland, Northern Ireland & the Channel Islands)
4. **How does the customer activate the warranty?** The extended warranty can be activated via the promotional webpage available at [www.miele.co.uk/promotions](http://www.miele.co.uk/promotions).
5. **If the customer registers the appliance, will it be auto-enrolled into the extended warranty?** No. The customer must still activate the warranty even if the appliance is registered. Registering the appliance will only activate the standard 2 year Manufacturer's Guarantee. If the customer activates the Extended Warranty first, this will auto-register the product.
6. **How long does the customer have to activate the warranty?** Warranty activation must be made within 90 days of the end of the promotion. This means the warranty must be activated by 31 March 2026.
7. **Is proof of purchase required?** Yes, the customer must upload proof of purchase.
8. **How does the customer make a claim against the warranty?** A customer can book a repair at [miele.co.uk](http://miele.co.uk) by accessing their account area
9. **The customer has not registered but machine was bought during promotion period. Can the promotion be honoured?** The warranty must be activated within 90 days of the end of the promotion.
10. **Can the warranty be passed on to another person?** Yes, the extended warranty is transferable.
