Insurance Terms and Conditions.

Things you must do.

- pay your premiums on time;
- take reasonable care to protect your product and its accessories from being damaged, lost or stolen;
- provide complete and accurate information where requested by us. Failure to do these things may result in your claim being declined or your policy being cancelled.

What we'll cover.

We will, at our discretion, either replace or repair your product in the event of:

- damage – sudden and unexpected damage that affects how the product works;
- breakdown – failure due to an internal hardware fault happening after the date the manufacturer's or Currys warranty expires.

We will pay up to £300 per claim for standard accessories supplied with your product and/or any case, charger, screen protector and/or memory card purchased from Currys to be used specifically with your product, if:

- you make a successful claim for your product and the accessories were affected during the same incident; or
- we replace your product with a different make or model and you can no longer use them.

Cover applies worldwide provided you, or anyone who uses the product on a regular basis remains a UK resident.

We won't cover.

We won't cover claims:

- for theft or loss;
- where you have not paid your premiums on time;
- where the product cannot be verified as the insured product;
- for repair or replacement costs that have not been authorised by us; or
- due to modification, maintenance, repairs (including augmentation or replacement of the operating system) and/or any process of cleaning and/or restoring.

We won't cover the following incidents:

- any incident our expert has identified as part of their inspection:
 - o as having been caused intentionally by you or the user; or
 - o that has occurred due to the product having been neglected, abused or misused by you or the user;
- any incident that occurred before the start date of this policy as shown on your Mobile Insurance Lite certificate;
- any incident caused by a repair not authorised by us, the fitting of non-genuine parts by a 3rd party, use of non-genuine accessories or as a result of any software not approved by the manufacturer being present on the product;
- any incident caused by a government body or other authority confiscating your product.

We also won't cover:

- any damage claim where the product is not available for us to inspect;
- any breakdown that is covered by the manufacturer's or Currys warranty, or a claim resulting from a manufacturer's defect or recall of the product;
- cosmetic enhancements you've made to your product, for example plating or embellishment with precious metals, stones or crystals;

- any charges from your network provider in the event of unauthorised calls, messages, data use or downloads;
- any financial loss resulting from your product being used with or without your consent, e.g. to access your bank account, mobile wallet or similar, and/or make purchases;
- any consequence whatsoever which is the direct or indirect result of any of the following, or anything connected with any of the following, whether or not such consequence has been contributed to by any other cause or event:
 - o war: Any war, invasion, act of foreign enemy, hostilities or a warlike operation or operations (whether war be declared or not), civil war, mutiny, rebellion, revolution, military rising, insurrection, civil commotion, assuming the proportions of or amounting to an uprising, military or usurped power;

 - o any action taken in controlling, suppressing or in any way relating to war or terrorism.

Mobile Insurance Lite.

Insurance Terms and Conditions.

- damage due to fire, flood or adverse weather;
- the excess you need to pay towards any claim (no excess on breakdown).

For the purposes of this section:

- by 'misused' we mean the product is not used for its intended purpose, has been used outside its operating conditions as instructed in the manual or by the manufacturer or where the manufacturer's instructions have not been followed.

Making a claim.

To claim, please bring your product to a Currys store, visit www.currys.co.uk/mobile/insurance or call 0800 049 0221. If you have your product repaired or replaced by some means other than through this insurance policy we will not pay your claim. If the incident happens outside the UK, we will not be able to deal with your claim until the product is in the UK and available for assessment.

You should make any claim as soon as possible.

If your product is security protected, you will need to remove this protection before we can process your claim. E.g. Activation lock or Find My Device on an Apple product. Failure to remove or reactivation of any previously removed security protection may cause delays in processing your claim and you may be charged for any repair or replacement you have received.

Where we accept your claim, we will at our discretion either provide a repair to your existing product or replace your product. If it is not possible to replace your product with the same make and model as your original product we will provide an alternative product determined by us that may be a different colour or model, or be made by a different manufacturer. This may mean the features and functions will differ, but the replacement will be of a similar specification to your original product. In the event that we're unable to source a suitable replacement we will, at our sole discretion, make a settlement in the form of a Currys gift card or cash based upon the cost of a like-for-like replacement.

Replacement products will not include any stored information you added to your original product, including (but not limited to) any data, downloads, videos, music or applications. This may also apply if your product is repaired. Our experts are able to help you restore data from a back up, if you have one.

Our replacement products are refurbished models which come with a Currys warranty. The Currys warranty will match either the period of time you had left on your original product's manufacturer's warranty or 12 months, whichever is greater. In the unlikely event that the replacement product you receive breaks down within this warranty period, Currys will repair the product under the warranty. To make a claim for a Currys warranty please bring your product to a Currys store. Cover for breakdown under your insurance policy will resume when the Currys warranty expires.

You may be required to provide information such as photos, videos, documents or receipts reasonably necessary to support and/or verify your claim.

If, at the time of an incident, there is any other insurance policy providing the same cover as this Mobile Insurance Lite policy, we are entitled to approach that insurer for a contribution and may request information from you to support this. You should only claim against this policy if you haven't claimed for the incident against any other policy you may hold.

Once we have settled your claim, the original product will become our property. If we identify the product has not been returned to us we may also take legal action against you.

Settlement of accepted claims.

Where a successful claim includes accessories, the settlement for the accessories may be received after the replacement product is received.

We aim for you to receive your replacement product the next working day upon acceptance of claim and payment of excess before 5pm. There are some postcodes that we are unable to deliver to next day, a list of these can be found on our website www.currys.co.uk/mobile/insurance. Please be aware that factors beyond our control (including, but not limited to, adverse weather) may delay your order. Working days are defined as Monday to Friday, excluding Bank Holidays. The replacement products we provide are refurbished models with a warranty provided by Currys.

Changes we need to know about.

You must take reasonable care to provide complete and accurate answers to any questions we ask when you take out or make changes to your policy.

You must tell us about the following changes:

- you no longer own the product;
- the product has been replaced under the manufacturer's warranty. In this case, please provide us with proof of the replacement, including the new IMEI number or Serial Number, from the manufacturer;
- you are no longer a UK resident;
- you change your personal details;
- you change your bank details (if you pay monthly).

Mobile Insurance Lite.

Insurance Terms and Conditions.

If the information provided by you is not complete and accurate, we may cancel your policy immediately and/or refuse to pay a claim.

If you do not inform us about a change it may affect any claim you make.

Changes we may make to this agreement.

After taking a fair and reasonable view and no more than once in any 12 month period, we may make changes to your premium, policy cover and/or terms and conditions of insurance, to:

- reflect changes in our expectation of the future cost of providing cover;
- reflect changes (affecting us or your policy) in the law or regulation, or the interpretation of law or regulation or changes in taxation;
- reflect decisions or recommendations of an ombudsman, regulator or similar person, or any code of practice, with which we intend to comply;
- make them clearer and fairer to you or to rectify any mistakes that may be discovered in due course.

Your premiums may go up or down but Curry's will not recover past expenses.

If you pay annually, we will notify you of any changes we are making to your policy when we contact you at renewal of your policy. Changes will become effective from your renewal date.

If you pay monthly any change made under this section will be notified to you in writing at least 30 days in advance. You are free to cancel your policy in accordance with the 'Cancellation of your policy by you' section.

Mobile Insurance Lite.

Insurance Terms and Conditions.

Cancellation of your policy by you.

You have a statutory right to cancel your policy within 14 days from the day of purchase or renewal of the policy or the day on which you receive your policy or renewal documentation, whichever is later.

If you cancel within the first 14 days you will receive a full refund of premiums paid (unless you have made a claim).

If you have made a claim or you wish to cancel after the first 14 days, you can cancel your policy from the end of any insured month, by giving notice that you wish to cancel before the end of that month. The insured month is the month beginning on the date your policy starts and ending on the same date of the following month, and each subsequent month after that. If you pay annually you will be entitled to a proportionate refund, calculated on the number of unexpired, insured months remaining for which you have paid.

If you no longer wish to insure the product named on your Mobile Insurance Lite certificate you can provide notice to cancel your policy by calling 0800 049 0221 or by writing to us at Currys Insurance, PO Box 194, Cramlington, NE23 0DA or online at www.currys.co.uk/mobile/insurance. Alternatively, you can visit any Currys store where one of our experts will be happy to help you.

Cancellation of your policy by us.

We (or any agent we appoint and who acts with our specific authority) may also cancel this policy for any valid reason. Valid reasons include, but are not limited to:

- a premium not being paid on time (as required in the 'Things you must do' section). If this happens, we will contact you by letter or email to notify you of this. If the payment is not received within 14 days from the date of the letter, we will cancel your policy from the date the premium was due without the need for us to give any further notice to you. We may, at our discretion, allow this policy to resume where a payment is made after this 14 day period, but we are under no obligation to do so;
- you or the user using your product use your product to commit a crime or to allow any crime to take place. We will cancel your policy immediately and notify you of this in writing;
- reasonable suspicion of fraud or where you have failed to provide us with complete and accurate information, as required by the 'Changes we need to know about' section. We may refuse any claim and cancel your policy immediately. Where your actions are deliberate or reckless you will not be entitled to a refund. We may also take legal action against you;
- where we withdraw the product from sale. If this event you will be given at least 90 days' notice;

If we replace your product following a claim, we may, after considering your previous claims history, including:

- number of claims;
- frequency of claims occurrence; and
- circumstances of the claims, including taking reasonable care to protect your product from damage,

decide that we are not willing to continue providing cover in respect of the replacement product. If this happens, we will notify you in writing.

Unless otherwise stated above, if we cancel your policy, we will give at least 30 days written notice to the last known home or email address you have provided to us.

Unless otherwise stated above, if we cancel your policy you will be entitled to a proportionate refund of the premium you have paid based upon the number of unexpired insured months remaining on the policy for which you have paid.
