

Software Fault & Fix Terms and Conditions

These Terms and Conditions apply to the Currys Software Fault & Fix service (the “Service”). The Service is provided by Currys Group Limited, a company registered in England and Wales under the number 504877 and with registered office at 1 Portal Way, London, W3 6RS.

In these Terms and Conditions, “We”, “Us” and “Our” mean Currys Group Limited, and “You” and “Your” mean the customer to whom the Services is provided.

1. Initial Assessment

Before We provide the Service to You, Your device will, if required, go through a complimentary triage process. Our Tech Bench Triage process (the “Triage”) will help Us gain a better understanding of the potential problems You are experiencing with Your device. The Triage is divided into two stages:

Stage 1 Visual inspection	<p>Visual inspection of Your device to check whether it meets our pre-fix assessment criteria for physical damage, which can include, but is not limited to:</p> <ul style="list-style-type: none">a) Malfunctioning keyboard and/or keyboard keys;b) Malfunctioning keypad;c) Cracks on the screen and/or the device; and/ord) Other evident physical damage. <p>Should Your device meet any of the above criteria, Your device will <u>not</u> be eligible for Our Software Fault & Fix services. Instead, it will be eligible for Our Hardware Fault & Fix service. For the full Terms & Conditions of Our Hardware Fault & Fix service, please visit: Chargeable Repairs Terms & Conditions.</p> <p>Should Your device not meet any of the above criteria for physical damage, Our colleagues will proceed to the next stage of the Triage.</p>
Stage 2 Computer Healthcheck	<p>A Currys colleague will plug a USB containing specialist third-party software which is used to carry out the Computer Healthcheck service into Your device. This is a complimentary Computer Healthcheck, which can take approximately 15 minutes. At the end of this Healthcheck, We will provide You with a report detailing one of two possible outcomes:</p> <ul style="list-style-type: none">a) No issues found. Our Computer Healthcheck scan does not identify any potential problems with Your device.b) Problem(s) found. Our Computer Healthcheck scan identifies potential problems with Your device. You will have the option to proceed with the Service, for which You would be charged the applicable fee (see clause 3.1 under Terms of Payment below). <p>For the avoidance of doubt, You will receive the report mentioned above even if You choose not to proceed with the Service.</p>

2. The Service

The Service includes a variety of services that may be performed in accordance with Your device's needs. Please see the below clauses for details of each individual service.

2.1. Full Computer Healthcheck

Our full Computer Healthcheck service consists of an in-depth scan, which inspects software, hardware and malware in detail. This can range from the identification of malware and potential driver issues, to checking whether Your device has the latest Windows settings. The Computer Healthcheck service also includes a PC Optimisation service, which optimises storage space on Your device.

Procedure	<p>A Currys colleague will plug a USB containing specialist third-party software which is used to carry out the Full Computer Healthcheck service into Your device. Before doing so, the Currys colleague will ensure that this software is up to date, therefore allowing it to identify as many potential problems as possible.</p> <p>This specialist software will be used to carry out all of the following scans:</p> <ul style="list-style-type: none">a. OS Scan;b. Hardware Scan;c. PC Optimisation;d. Malware Scan; ande. Generate Reports. <p>Note: the PC Optimisation displayed above is merely a scan. A Currys colleague will be able to optimise Your device using this application separately, either upon request and/or if appropriate.</p> <p>Once the check is complete, a detailed report will be produced, highlighting any problems You may be experiencing with Your device. At this point, a Currys colleague will advise You on which of Our Software Fault & Fix services should be performed to resolve the problems highlighted.</p>
Estimated timeframe	This scan may take approximately 1 hour or more, depending on the device.
Exclusions	If You choose to have hardware upgrades installed, You need to pay for the parts. Any hardware upgrades are not covered by the Software Fault & Fix service, but may be eligible for Our Hardware Fault & Fix service. For the full Terms & Conditions of Our Hardware Fault & Fix service, please visit: Chargeable Repairs Terms & Conditions .

2.2. Virus & Spyware Removal

Our Virus & Spyware Removal service has been designed to help Us identify any potential virus and/or malware threats You may be experiencing with Your device. It uses third-party specialist software to perform either a Quick or Complete Scan, both of which are highlighted below.

Our Virus & Spyware Removal service may be performed if (i) You have requested it and/or (ii) We have identified the need for it while performing a Computer Healthcheck on Your device.

Procedure	<p>A Currys colleague will plug a USB containing specialist third-party software which is used to carry out the Virus & Spyware Removal service into Your device. Before doing so, the Currys colleague will ensure that this software is up to date with the latest virus definitions, therefore allowing it to identify as many potential threats as possible.</p> <p>This specialist third-party software will be used to carry out one or both of the following scans, as required:</p> <p>Quick Scan</p> <ul style="list-style-type: none">a. The Quick Scan will scan common files used by Windows operating systems to look for known infections;b. The Quick Scan will <u>not</u> remove any infected file(s), but it will notify Us of which malicious files have been identified during the scan;c. If Quick Scan finds any infected file(s), Your device will require a Complete Scan. <p>Complete Scan</p> <ul style="list-style-type: none">a. The Complete Scan will scan all drives in Your device and will move any malicious file(s) identified into a specific location, called Quarantine.b. A Currys colleague will be able to view the file(s) placed in Quarantine and delete them, if required. <p>A Currys colleague will discuss the outcomes of either scan with You, including the number of infected file(s) identified during either scan, if applicable.</p> <p>Once the identified infected file(s) have been removed from Your device, the Currys colleague will complete the service and return the device to You.</p>
Estimated timeframe	<p>The Quick Scan may take 1 hour and 30 minutes or more, depending on the device.</p> <p>The Complete Scan may take 10 hours or more, depending on the device.</p>
Exclusions	<ul style="list-style-type: none">i. Anti-virus and/or internet security software must be purchased separately if You want Us to install it.ii. Please ensure You have backed up all of Your data before handing over Your device for a Virus & Spyware Removal service.iii. We are not responsible for loss of Your data or applications.

2.3. System Reset

Our System Reset service is designed to help Us reset Your device to its original factory settings.

Procedure	<p>This service will revert Your device to its original factory settings.</p> <p>You should note that the System Reset will delete all Your personal files, apps and settings on the device. You should consider backing up any data or files You want to keep, as We do not take responsibility for loss of files due to a System Reset.</p>
