

TERMS & CONDITIONS: 3 MONTH 50% OFF SERVICE FOR RESIDENTIAL PLANS FOR ACTIVATIONS BETWEEN (22/3 – 25/4)

- Promotion offered by Starlink Internet Services Limited, applicable only to eligible orders.
- “Eligible Purchases” are limited to Starlink Kits purchased at [Authorised European Retailers](#)
- For internet connectivity all Starlink kits require a subscription plan to be purchased separately.
- Customers need to elect and activate their Starlink Kit between (22/3 – 25/4).
- Offer valid for any new Residential service activation during promo period in Europe. Discounted rate will be applied for three months. Customers who pause, change to a non-eligible plan, cancel their service, or are suspended will lose their promotional pricing. The service promotional offering may vary by location.
- Service Credit is non-refundable/non-transferable/or reimbursable.
- Other terms and conditions may apply. Terms and duration are subject to change.
- Please check Starlink’s [Help Center](#) for common service & setup questions.
- To review service plan options, please visit [Starlink plans - UK](#)
- For activation or Service Credit Issues, please contact Starlink at [Contact Customer Support](#) or login to your Starlink account. For details on change fees that apply and other important information, please refer to the subscription confirmation email received after placing the order.

HOW TO ACTIVATE YOUR SERVICE PLAN:

Customers may activate their subscription at www.starlink.com/activate by following the steps (below) or through the Starlink app by following the prompts.

1. Select ‘activate’
2. Enter [Starlink Identifier](#) (located on box listed as SN)

3. Create New Account
 - Click “Existing Account” if you already have a Starlink account

4. Choose service plan and “Checkout”

- Elect one of the Residential plans (monthly). Offers and plans are subject to change. This plan is just an **example**.

Order Another Starlink

How can I pay off or finance my Starlink kit over time?

Contact Support

By placing this order, you agree to the Starlink Terms Of Service and Privacy Policy. If you don't see service and return your unopened Starlink kit within 30 days of the payment that date, you are eligible for a full refund of the Starlink kit and the first month's service. Note: If your order has not shipped in a red star message, we will not refund your money and please contact us for the process of attempting to assist you in processing your order.

6. Select "Place Order". Placing your order will activate your service immediately. Users may also visit <https://www.starlink.com/videos> to view our video guide library for our quick start guides, general setup, and installation instructions.
