

# Product fiche

Delegated Regulation (EU) 65/2014

|   |                    |
|---|--------------------|
| Supplier name or trademark                                | <b>Hoover</b>      |
| Model identifier  | <b>HO7DC3078IN</b> |
| Number of cavities  | <b>2</b>           |
| <b>Cavity 1</b>   |                    |
| Energy Efficiency Index                                   | <b>100,0</b>       |
| Energy Efficiency Class                                   | <b>A</b>           |
| Energy consumption per cycle (conventional mode)          | <b>0,72 kWh</b>    |
| Energy consumption per cycle (fan-forced convection mode) | <b>- kWh</b>       |
| Heat source   | <b>Electric</b>    |
| Volume  | <b>40 Litres</b>   |
| <b>Cavity 2</b>   |                    |
| Energy Efficiency Index                                   | <b>95,8</b>        |
| Energy Efficiency Class                                   | <b>A</b>           |
| Energy consumption per cycle (conventional mode)          | <b>0,74 kWh</b>    |
| Energy consumption per cycle (fan-forced convection mode) | <b>0,68 kWh</b>    |
| Heat source   | <b>Electric</b>    |
| Volume  | <b>37 Litres</b>   |
