

Product Fiche Information

Capacity (cotton) kg (washing)	8
Capacity (cotton) kg (drying)	5
Washer Dryer Energy efficiency class	D
Washer Dryer Energy efficiency class - washing only (Eco 40-60)	A
Energy Consumption of the eco 40-60 programme for 100 cycles (kWh/100cycles)	47
Energy Consumption of the wash and dry cycle for 100 cycles (kWh/100cycles)	264
Energy Consumption per Cycle - Washing only (Eco 40-60) (kWh)	0.468
Energy Consumption per Cycle - Washing & Drying (kWh)	2.641
Water Consumption per Cycle - Washing only (Eco 40-60) (L)	46
Water Consumption per Cycle - Washing & Drying (L)	65
Programme duration at full load - Washing only (Eco 40-60) (h:min)	3:38
Programme duration at full load - Washing & Drying (h:min)	8:30
Spinning efficiency class	B
Remaining moisture content for the eco 40-60 programme at Full Load (%)	54
Maximum spin speed (rpm)	1400
Noise emission level during eco 40-60 programme (spinning phase) (dB(A))	76
Noise emission class during eco 40-60 programme (spinning phase)	B
