

Energy Label for customers in  
**England, Scotland and Wales**

Energy Label for customers in  
**Republic of Ireland and  
Northern Ireland**

The UK Energy Label features the Union Jack flag and the word "ENERG" with a lightning bolt. It includes a QR code, the brand "AEG", and the model number "FSS53637Z 911536531". The energy efficiency scale shows levels A through G, with level D highlighted by a black arrow pointing to it. Below the scale, the energy consumption is listed as 84 kWh per cycle, accompanied by a 100% efficiency icon. Further down, icons represent 13 place settings, 9.9 liters of water, a 4:00 cycle time, and 44 dB noise level (ABCD class). A vertical date stamp "2019/2017" is on the right.

The EU Energy Label features the European Union flag and the word "ENERG" with a lightning bolt. It includes a QR code, the brand "AEG", and the model number "FSS53637Z 911536531". The energy efficiency scale shows levels A through G, with level D highlighted by a black arrow pointing to it. Below the scale, the energy consumption is listed as 84 kWh per cycle, accompanied by a 100% efficiency icon. Further down, icons represent 13 place settings, 9.9 liters of water, a 4:00 cycle time, and 44 dB noise level (ABCD class). A vertical date stamp "2019/2017" is on the right.
