

TERMS AND CONDITIONS - TEAM KNOWHOW MOBILE COMPLETE INSURANCE

Team Knowhow Mobile Complete is the brand/product name for Carphone Warehouse Insurance and Expert Support protection plans. When you take out your Team Knowhow Mobile Complete product, you enter into two agreements: one with Aviva for your insurance policy and one with Carphone Warehouse for Team Knowhow Expert Support. If one of these agreements is terminated, the other will be terminated automatically. If at our discretion we settle your claim in cash, we will not be able to continue cover for a replacement device purchased by you, and the policy will be cancelled with effect from the date of the incident which gave rise to the claim.

Alternatively if you are unable to bring the device into store please call us on 1800 333 326. This may mean the features and functions will differ, but the replacement will be of a similar specification to your original device. In the event that we're unable to source a suitable replacement, we will, at our sole discretion, make a settlement in cash based upon the cost of a like-for-like replacement.

Cover for breakdown under your insurance policy will resume when the Team Knowhow warranty expires.

To arrange this please call us on 1800 806 200 or email mobile.complete@teamknowhow.ie.
13. If, at the time of an incident which results in a claim under this policy, there is any other insurance covering the same loss, we are entitled to approach that insurer for a contribution towards the claim.

CANCELLATION

Cancellation of Your Policy by You

1. If you cancel within the first 14 days you will receive a complete refund on premiums paid (unless you have made a claim).
2. If you have made a claim or you wish to cancel after the first 14 days, you can cancel your policy from the end of any insured month, by giving notice that you wish to cancel before the end of that month.

The insured month is the month beginning on the date your policy starts and ending on the day before the same date of the following month, and each subsequent month after that.

You will be entitled to a proportionate refund, calculated on the number of unexpired, insured months remaining for which you have paid.

3. If you cancel your policy and pay premiums by Direct Debit, you will need to ask your bank to cancel this instruction.
4. If you no longer wish to insure the phone named on your certificate you can provide notice by calling 1800 806 200 or by writing to us at Team Knowhow Support, Carphone Warehouse, Omni Park Shopping Centre, 3rd Floor Office Suite, Santry, Dublin 9; or email mobile.complete@teamknowhow.ie notifying us of your wish to cancel. Alternatively, you can visit any Carphone Warehouse store where an expert will be happy to help you. You must notify Team Knowhow Support of any change to the device to be insured. Please refer to the 'Changes We Need To Know About' section for full details.

Cancellation of Your Policy by Us

1. If you pay your premiums monthly, you must pay your premiums on time (as required in 'Things you must do 2'). If a premium is not paid on time, we will notify you of this, and if the payment is not received within 14 days, either by our second attempt to take the payment, or you making the payment by alternative means, your policy will be cancelled from the date the premium was due without the need for us to give any further notice to you. At our discretion, we may, following a request from you, allow this policy to resume where payment has been made after such a 14 day period, but we are under no obligation to do so.
2. We may also cancel this policy in the following circumstances:
 - a. If you withhold information, give or use false information, or give incomplete information that we have requested during a claim, we may decline the claim and may cancel the policy immediately. This could result in you losing all entitlements and benefits under this policy and where your actions are deliberate or reckless you will not be entitled to a refund.
 - b. If you use your device to commit a crime or to allow any crime to take place, we will cancel it immediately with no refund of premium.
 - c. If you fail to tell us that you are no longer resident of The Republic of Ireland or no longer own the device shown on your certificate, in accordance with the 'Changes We Need To Know About' section, your policy will be cancelled with effect from the date that we became aware of such change and where a monthly premium is paid after this date, it will be refunded. If you pay your premium annually you will be entitled to a proportionate refund of the premium paid, calculated on the number of unexpired, insured months remaining on the policy.
 - d. If we replace your device following a claim, we may, after considering your previous claims history, decide that we are not willing to continue providing cover in respect of the replacement device. If this happens we will cancel your policy by providing you with at least 1 month's notice. We will not collect any further premiums following such notice.
3. If we cancel your policy for the reasons mentioned above and you pay monthly premiums, you will not be entitled to any refund.
4. Except where it is stated otherwise, if we cancel your policy and you pay your premium annually you will be entitled to a proportionate refund of the premium paid, calculated on the number of unexpired, insured months remaining on the policy.

Data Protection – Privacy Notice

Personal Information

The data controller responsible for this personal information is Aviva Insurance Ireland Designated Activity Company trading as Aviva, as the insurer of the product. Additional controllers include Carphone Warehouse Limited, who are responsible for the sale and distribution of the product, and any applicable insurers, reinsurers or brokers we use.

The Insurer collects and uses personal information about you so that we can provide you with a policy that suits your insurance needs. This notice explains the most important aspects of how we use your information but you can get more information about the terms we use and view our full privacy policy at www.aviva.co.uk/privacypolicy or request a copy by writing to us at Aviva Insurance, One Park Place, Hatch St, Dublin 2.

Personal information we collect and how we use it

The Insurer will use personal information collected from you and obtained from other sources:

- to provide you with insurance: we need this to decide if we can offer insurance to you and if so on what terms and also to administer your policy, handle any claims and manage any renewal,
- to support legitimate interests that we have as a business. We need this to:
- manage arrangements we have with our insurers, reinsurers and brokers we use, and for the detection and prevention of fraud,
- help us better understand our customers and improve our customer engagement. This includes profiling and customer analytics which allows us to make certain predictions and assumptions about your interests, make correlations about our customers to improve our products and to suggest other products which may be relevant or of interest to customers,
- to meet any applicable legal or regulatory obligations: we need this to meet compliance requirements with our regulators (e.g. Central Bank of Ireland), to comply with law enforcement and to manage legal claims and to:
- carry out other activities that are in the public interest: for example we may need to use personal information to carry out anti-money laundering checks.

We may also use personal information about other people, for example family members you wish to insure on a policy. If you are providing information about another person we expect you to ensure that they know you are doing so. You might find it helpful to show them this privacy notice.

The personal information we collect and use will include name, address, date of birth, contact and financial information. If a claim is made we will also collect personal information about the claim from you and any relevant third parties. We may also need to ask for details relating to the health or any unspent offences or criminal convictions of you or somebody else covered under the policy. We recognise that information about health and offences or criminal convictions is particularly sensitive information. We'll ensure that we only use that information where we need to for our insurance purposes (including assessing the terms of your insurance contract, dealing with changes to your policy and/or dealing with claims).

There may be times when we need consent to use personal information for a specific reason. If this happens we will make this clear to you at the time. If you give us consent to using personal information, you are free to withdraw this at any time by contacting us – refer to the "Contacting us" details below. Please note that if consent to use this information is withdrawn we will not be able to continue to process the information you gave us for this/these purposes(s). This would not affect our use of the information where consent is not required.

Of course, you don't have to provide us with any personal information, but if you don't provide the information we need we may not be able to proceed with your application or any claim you make.

Some of the information we use as part of this application may be provided to us by a third party. This may include information already held about you within the Aviva group, including details from previous quotes and claims, information we obtain from publicly available records, our trusted third parties and from industry databases, including fraud prevention agencies and databases.

Credit Reference Agency Searches

To ensure the Insurer has the necessary facts to assess your insurance risk, verify your identity, help prevent fraud and provide you with our best premium and payment options, the Insurer may need to obtain information relating to you at quotation, renewal and in certain circumstances where policy amendments are requested. The Insurer or their agents may:

- undertake checks against publicly available information (such as electoral roll, county court judgments, bankruptcy orders or repossession(s)). Similar checks may be made when assessing claims.

The identity of our Credit Reference Agency and the ways in which they use and share personal information, are explained in more detail at www.transunion.co.uk/crain.

Automated decision making

We carry out automated decision making to decide whether we can provide insurance to you and on what terms and in order to process claims.

In particular, we use an automated underwriting engine to process the personal information you provide as part of this application process. This will include information such as your age, address and details of the device you wish to insure. The automated engine may validate the information you provide against other records we hold about you in our systems and third-party databases, including public databases. We may also supplement the information you provide us with information from third parties (including Carphone Warehouse) who can provide more information about you or your device. We do this to calculate the insurance risk and how much the cover will cost you. Without this information we are unable to provide a price that is relevant to your individual circumstances and needs. We regularly check the way our underwriting engine works to ensure we are being fair to our customers.

Verifying claims

If you're making a claim, we may use automated processing to assess the validity of your claim. Examples of what this could include are: deciding on whether cover under the policy applies, the value of the claim or the application of other terms and conditions.

Contesting an automated decision

If we made a decision about you based solely by automated means (ie with no human intervention), and our decision produces a legal effect concerning you (such as the rejection of your application or of a claim), or otherwise significantly affects you, you may have the right to contest that decision, express your point of view and ask for a human review. These rights do not apply where we're authorised by law to make such decisions and have adopted suitable safeguards in our decision-making processes to protect your rights and freedoms.

How we share your personal information with others

We may share your personal information:

- with the Aviva group, our agents and third parties who provide services to us and other insurers (either directly or via those acting for the insurer such as loss adjusters or investigators) to help us administer our products and services,
- with regulatory bodies and law enforcement bodies, including the police, e.g. if we are required to do so to comply with a relevant legal or regulatory obligation,
- with other organisations including insurers, public bodies and the police (either directly or using shared databases) for fraud prevention and detection purposes,
- with reinsurers who provide reinsurance services to Aviva and for each other in respect of risks underwritten by Aviva, with insurers who cover Aviva under its group insurance policies and with our brokers who arrange and manage such reinsurance and insurance arrangements. They will use your data to decide whether to provide reinsurance and insurance cover, arrange and manage such cover, assess and deal with reinsurance and insurance claims under such cover and to meet legal obligations. They will keep your data for the period necessary for these purposes and may need to disclose it to other companies within their group, their agents and third party service providers, law enforcement and regulatory bodies.

Some of the organisations we share information with may be located outside of the European Economic Area ("EEA"). We'll always take steps to ensure that any transfer of information outside of Europe is carefully managed to protect your privacy rights. For more information on this please see our Privacy Policy or contact us.

We maintain a retention policy to ensure we only keep personal information for as long as we reasonably need it for the purposes explained in this notice. We may also need to keep information after our relationship with you has ended, for example to ensure we have an accurate record in the event of any complaints or challenges, carry out relevant fraud checks, or where we are required to do so for legal, regulatory or tax purposes.

Your rights
